<sup>1</sup>In-State (Resident)/Out-of-State (Non-Resident)/Out-of-Country Classification

At the time of admission to Georgia Institute of Technology a student will be classified as either a resident, non-resident of the State of Georgia, or out of country for determining the amount of tuition a student will be assessed. A student will either be assessed the resident (in-state), non-resident (out-of-state), or out-of-country tuition rate listed above based on this determination. Policies and Procedures for determining the classification of residency status are set forth by the Board of Regents of the University System of Georgia. Continuing Students, please continue to review your Student Profile in Oscar for your classification as we implement out of country changes.
